

Paragon High Speed Inkjet Plotter

Special Features

High-speed servo control, full closed loop positioning. Ink consumption tips, paperless alarm. Automatically record the location. Network connection automatically printed. Real-time monitoring of various operating conditions. Offline Storage Module (optional) Wireless Transition Module (optional).

1

Characteristics	PN-165T	PN-185T	PN-205T	PN-225T
Printing Width	165cm	185cm	205cm	225cm
Printing Speed	135m ² /Hour(2-Head)240m ² /Hour(4-Head)			
Speed Upgrade	3 Head & 4 Head			
Print Head	HP-45,HP-11 & HP-818 Nozzle			
Max. Weight of Paper Roll	37-45Kgs			
Print Density	300-600DPI(Optional Toner Save Mood)			
Paper Thickness	25-80GSM			
File Type Accepted	DMPL, DXF, HPGL, PLT, PLX, Micro Jet STD Same			
Operating Option	Digital Touch Pad / Key Type			
Paper Feeding System	Front / Back side.			
Output System	Take up mode / Drop on Floor			
Power	100V/220V,50Hz/60Hz,300W			
Working Environment	5-40			
Interface	USB 2.0 /NET Port
